This case is set for an initial case-management conference on July 27, 2007, at 10:30 AM in Courtroom 6. Pursuant to Civil Local Rule 16-10(a), plaintiff requests that the court permit plaintiff to participate in the case-management conference by telephone.

First, plaintiff has pre-existing travel plans for the afternoon of July 27, 2007, and a requirement to appear in person in San Jose might disrupt those travel plans.

Second, plaintiff lives and works in San Francisco and is proceeding *pro se*. While plaintiff does not assert that a personal appearance would constitute an undue hardship, plaintiff would need to leave his office at the University of California, San Francisco, for several hours to appear personally in court. Plaintiff submits that a

1 telephone conference would be in the best interests of him and his public-sector  
2 employer.

3 Defendant does not oppose this request.
